Information to Customers

Prices given in this Catalog cancel all previous quotations.

DIRECTIONS FOR SHIPPING.—Parties ordering are requested to state explicitly the mode of conveyance by which they desire their stock forwarded. When no route is designated, we exercise our judgment; but in no case do we assume any responsibility after the packages are shipped, unless for our own mistakes. When losses occur by detention, claims should at once be made on the forwarder.

CREDIT.—We extend credit only to regular customers and parties known to us, unless satisfactory reference accompanies order.

CASH WITH ORDER.—We decline to ship goods "Collect on Delivery," unless remittance be made on account to guarantee acceptance. We will allow a discount of 2 per cent. on all orders accompanied by cash.

PRICES AND PACKING.—The prices in this Catalog supersede all previous rates and apply to quantities specified; twenty-five will be furnished at hundred rate and five at rate per ten. Our prices do not include packing. On trees, shrubs, etc., packed in boxes and bales, there will be an additional charge for material actually consumed, as follows:

Boxes (including packing)	12 ft. long by	30 in. ends	\$3. 50
" " "	10 " " "	30 " "	3. 00
" " "	10 " " "	24 " "	2. 50
" " "	8 " " "	30 " "	2. 50
" " "	8 " " "	24 " "	2. 00

Bales, according to size, 15 cents to \$2. 50.

No charge is made for cartage from the Nursery to the Railroad Station.

OUR GUARANTEE.—We use the utmost care to have all our stock true to name and will replace such as does not prove so, or refund the amount paid, but we shall in no case be held responsible for a greater amount than the original price of the plants in question. This is positively understood upon our acceptance of an order.

GENERAL CATALOG.—We shall be pleased to mail free a copy of our Illustrated General Catalog to all who indicate a desire for it. The book contains reliable information and descriptions of Trees, Shrubs and Plants hardy in New England. It will be mailed only upon request.

NURSERY INSPECTION.—Our nurseries are inspected by the Department of Agriculture, of Massachusetts, twice each year, and a certificate declaring them apparently free from all injurious insects and diseases accompanies each shipment.
